

Quilts Kingston Vendors Mall and Quilters' Boutique

Quilters' Boutique

A great selection of one of a kind items made and donated by members of the two guilds will be available for sale. See the little girl's dresses with matching hats, golfing placemats, baby and lap quilts, knitted socks, recipe tea towels, casserole covers, table runners and much more. All boutique items are reasonably priced and the proceeds support the many charitable projects of the guilds.

Don't forget to look for the gently used books, magazines and patterns section and an amazing Silent Auction
