

# QUILTS KINGSTON 2012

**TO: ALL MEMBERS OF THE  
KINGSTON HEIRLOOM QUILTERS  
LIMESTONE QUILTERS' GUILD**

In order to plan the show at our new location, the Quilts Kingston Committee requests that each member indicate what you intend to show and may have ready by May 2012. Please assume you will finish all your projects when answering the questions. We would appreciate knowing:

- the number of quilts, the size of each, and a general description (ie floral, Christmas, abstract etc);
- the number of postcards;
- the number of items for Home Décor (eg. tablerunners etc), Wearables (eg. jacket, etc), or Other Items (eg. Doll, Box, etc) and a brief description.

Note: Quilts or other items shown in any previous Quilts Kingston Show will not be accepted.

This should not be construed as a commitment on your part to offer the quilt/item or the show committee's part to accept the quilt for display. We are trying to get some idea of the numbers so that quilt stands can be made and show design begun. Because this is a new location, it is expected that a limit will be imposed on the number of pieces accepted from each person.

We would also like to know if you are interested in providing finished items for consignment.

Please fill in the number of quilts or wall hangings you may be able to contribute as well as items for Home Décor, Wearables, or Other Items and **give the form to Marg or Marina** (for Charlene) **by the first Quilt Meeting in November 2011**. Please use reverse side of this sheet if necessary.
