Greetings from Your President

Donna Hamilton

Welcome back to another year of quilting with your friends – culminating with our May 2008 Quilt Show. It should prove to be another great year, with lots to learn and complete. If you need help with any project, be sure to bring it in and share it with us. If you'd like some help with quilting, please bring in a signup sheet and we'll see how many of us can give you a hand. Welcome also to your new editor, Ros Hanes, and your KHQ Executive. We hope this will be another enjoyable and inspiring year of quilting. And welcome to our new members. We hope you enjoy your stay with the KHQers.

June 2007 Annual Report

If you haven't seen our June 2007 Annual Report on the 2006-2007 year, please look for a copy at the "News Table". This is a summary of what we did last year, including what you all thought – a look back and a look forward to what you wanted to do this year. (There's also a separate sheet with only your thoughts on the year.) Your Executive took all this into account when

planning the fall program. Some of you were concerned that we not do too much. But others wanted to continue what we are doing. Your Executive wanted to *give you a reason to come to our meetings*. So

Our Program

Yes, we have lots on the Program again this year. But remember, this means you can pick what you want to do. And should you want a change, there is enough going on to allow that change to happen. You don't have to participate in everything. But do choose what you want to do! Please don't stress about this. I can't say it enough that the activity is to give you *choice*, to keep *everyone* happy. Details on the program and this year's priorities can be picked up at the News Table on September 4th. Items not used this year, such as the suggestion to have a Mystery Quilt (a great idea), will be used in future years.

Extra Days to Quilt on the Star

This fall, we will be running extra meetings to quilt on the Broken Star Quilt. Yes, it's ready for the frame! Thanks to the work of several ladies over the summer: Diane Berry who got the cording, Margaret Rhodes who covered the cording and attached it to the quilt, myself who found the fabric for the cording, finished the basting and the backing, and Marg Henshaw who marked all the quilting lines. On September 4th one activity will be putting the quilt on the frame and beginning to quilt it. It should be lots of fun!

Be sure to sign up for any of these extra days of quilting – Tuesdays and Thursdays of each week. If we could each put in an extra 2 or 3 hours minimum a week towards quilting the Star, we have a chance of finishing it for the Show. I hope you can help make this goal a reality. *Many hands make light work*. Details are on the program and sign up sheets will be available.

Other Program Details

Back by popular demand are the UFO Challenge (to inspire you to complete items for our Show); the Tin Can Project (for a bit of mystery); a Garage Sale (to clear out your cupboards and fill them again!); a member's Raffle block (to inspire you in some appliqué); Block of the Month (to teach or refresh different techniques); a Trunk show (to inspire), Demo (to inspire and to teach), and a workshop (to teach). We will have raffles at each of our meetings – José and Joan Bales will be collecting items or books that you don't need any more and raffling them to the group. Give them a hand when you can.

Don't forget about the Humor Challenge and the Murray Rhodes Memorial Challenge for the Show.

And most importantly, bring in your quilted items for *Show and Tell*! I still can't get over the variety of quilts that you all brought in last year. I photographed as many as I could, and anyone who checked out our slide show at the May luncheon would have to agree that it was simply amazing! You are amazing! Remember the little show we displayed at the Singing Quilter? It was amazing ... cause every quilt there was given a lot of love and care in its construction. Every quilt was well quilted. It wasn't just one or two quilts but ALL the quilts. This is special. This is one secret of the KHQers.

Welcome back, everyone! The cooler weather is on its way (thank goodness!) and all our fingers are itching to sing. See you in St. John's Hall!

A Tip from MaryAnn M:

Barb R and Mary Ann M used a Hobbs polydown quilt batt to finish off Barb's gorgeous quilt. These batts are available at both Quilter's Choice and Michaels. When last checked at Michaels they were selling for \$6.69 for a crib sized batt (45"x60") and \$16.99 for a queen sized batt (90"x108"). Don't forget to use your 40% off coupon. Quilter's Choice has 120"x120" Hobbs poly batts for just under \$30 including tax, as well as other sizes.

Special Offer from the Perfect Stitch

Any time you make a purchase of fabric and notions at the Perfect Stitch please let them know that you are a KHQ member and they will make sure your name is on your receipt. We will save all the receipts (there will be an envelope in the library cart) and when we reach the \$2000 mark (before taxes and after discounts) a \$100 worth of books will be donated to the group.

In Sympathy

We extend our sympathy to Nelly Kamphuis and to Carol Green on the deaths of their mothers this past summer.

Raffle Blocks

Peggy M. was the lucky winner of the beautiful "December Rose" raffle blocks organized by Bea Walroth. However Peggy has decided to donate the blocks to the group – maybe we can finish the top in time for it to be in the frame for quilting at the show. Many thanks to Peggy for her generous gift!
